Airline Travel Tips

Many airlines now charge extra fees for checked baggage (\$15.00 for the first bag checked). These fees are not included in your trip cost. Check with the particular airline for cost of checked baggage.

Make Your Trip Better Using the TSA 3-1-1 Rules for Carry-ons: 3 ounce bottle or less - 1 quart-sized, clear, plastic, zip-top bag - 1 bag per passenger.

The Transportation Security Administration (TSA) has prepared a Traveler's Guide to help ensure passengers have the answers they need to common security screening questions: www.tsa.gov/traveler-information

Be prepared to remove your shoes, jacket and/or sweater as you proceed through the security check point.

Come early and be patient. Heavy travel volumes and the enhanced security process may mean longer lines at security checkpoints. TSA works with the airports to anticipate peak traffic and be ready for the traveling public.
