

**Congratulations Class of 2017!**

You are finally high school seniors, and about to begin the journey of a lifetime— your first giant leap into adulthood. One of the most important parts of your senior year will be the finalization of your college plans. A scholarship from the Latham Family might be your answer!

The National Chapter created the Latham Family Scholarship after recognizing one of the most pressing needs in higher education today is funding. We feel scholarships will allow deserving high school seniors in the Latham Family to attain their educational goals, meet their professional objectives and succeed to their fullest ability. Graduating high school seniors who meet the *Rules Governing the Scholarship* are eligible to receive a scholarship.

The Latham Family Scholarship application must be postmarked *no later than May 31*. The recipient of the 2016-2017 Latham Family Scholarship will be announced in July 2017.

We also would like to take this opportunity to urge our Latham Family members to contribute to the Latham Family Scholarship. Donations will help build the fund and thereby increase the number of scholarships available for our Latham Family high school seniors.

If there are any questions or additional information needed, please feel free to contact the Latham Family Reunion National Chapter.

Best of luck to all of our applicants!
