Calendar Year for National Chapter Dues

In accordance with **Latham Family Reunion** by-laws, we are notifying you of the change in payment of the **Latham Family Reunion National Chapter (LFRNC)** dues from a Fiscal Year (Jul - Jun) to a Calendar Year (Jan - Dec), effective 01/01/2013.

The **Latham Family** will adopt the standard calendar year convention of 12 consecutive months for payment of **National Chapter Dues**, which are ten dollars (\$10.00) a month. The 24-month period for the 2017 **Latham Family Reunion** runs from Jan. 2015 – Dec. 2015 through Jan. 2016 – Dec. 2016.

National Chapter Funding

Beginning with the 2017 reunion, the **Latham Family Reunion National Chapter (LFRNC)** will provide \$500 (USD) to the current local host chapter for the **Latham Family Reunion** to help defray

some of the initial costs that the planning committee will incur. With each bi-annual reunion, those family members electing to form local chapters can be given organizational and financial assistance during the planning of the **Latham Family Reunion**. After the local chapter has opened a bank account, the chapter can then request funds for budget relief funds.

The **LFRNC** will provide \$500 (USD) to the current local host chapter upon availability of funds. If the local chapter has excess funds after all obligations have been met, the **LFRNC** should be reimbursed.

The local chapter can request funds from the **LFRNC Treasurer** by using the online **Budget Request Form**. If you have any questions, you can find the contact information for the current **Treasurer** on the form itself or at <http://bit.do/LFRNCTreasurer>. You can submit your request for funds at any time. Chapters that receive funds must provide the name and contact information of the local chapter officers or a contact person or persons, which will be used to facilitate communication between the **National Chapter** and the local chapter.
